Final Weekly Revision Plan

ST JAMES'S

CHURCH OF ENGLAND HIGH SCHOOL

CARING FOR OTHERS † ACHIEVING EXCELLENCE

Name:

Form:

The final chapter of your school story is beginning.

Make it an incredible ending to ensure the best start in your next journey!

8 Week Revision Plan

This booklet suggests what you should revise each week leading up to the first paper for each subject.

• You should now be revising each evening at home – around 2-3 hours on average each day, broken up into shorter 25min chunks.
• This is a revision plan designed by your teachers. It highlights what you should revise each week.

Ensuring Success

Research shows that those students who create a clear vision, plan their schedule well and have well organised notes are the ones who exceed their predictions.

1. Get to school, on time, every day. 8.35am start.
2. Ensure you attend the extra interventions put on at school.
3. Create a visual revision timetable, you may prefer to use an app which you can personalise and it alerts you to study, such as getrevising.co.uk.
4. Make a realistic timetable that fits in your study, hobbies and other commitments.
5. Ensure you have a quiet, distraction free space to work.
6. Ensure you have the tools you need at home – post its, revision cards, pens, pencils, notebook, files, calculator etc.
7. Ask your parents if there is something you would find helpful from them.
8. Look at your timetable of what is coming up and empty your school bag every day to keep notes organised.
9. Check that you have a copy of the correct exam board specification for each subject. Look through each and prioritise what you need to re visit.
10. Contact teachers if you are unsure to nip any problems in the bud immediately.
11. Test yourself with exam style questions and act on feedback.
12. Use the various apps, websites and pods suggested by teachers to assist your revision.
13. If you feel you aren't coping with the pressures, talk to someone ASAP.
14. Ensure you have healthy snacks, water and get a good night's sleep.
15. Turn off your phone or activate app blockers like Forest or Flora!

Online Revision Tools & Exam Prep

These are tried and tested by your teachers and recommended by past students. TEAMS is a great place to start as your teachers have put a vast amount of exam content and questions on there. Go to the year 11 TEAMS and click the revision tab.

Before the exam:

- Know your exam timetable.
- Know where and when you need to be on the day of your exam.
- Allow time for your brain to wake up. – have a shower and eat breakfast.
- Make sure you know the structure and marking of the exam, e.g. 2 essay questions, one from section A and one from B
- Make sure you have all your equipment and spares.
- Go to the toilet.
- Take water in the exam – Memory will be 70% better if you are hydrated.

During the exam (Read your "Every mark matters" booklet for more advice):

- Be positive!
- If your mind goes blank don't panic. Turn the page over, look up and take some deep breaths; there will be some of the paper you can do.
- Do not leave any answer unanswered – make an educated guess – it is better than nothing!
- If appropriate, spend the first 5 minutes at the beginning of the exam writing down key formulae, acronyms, facts or quotes that you are going to need.
- In papers, where there are several questions to choose from, work on those you are most confident with.
- Keep an eye on the time, the questions with the most marks are usually at the end of the paper.
- Always check your paper, keep some time at the end to go back and check you have answered the questions to your full ability – exams are not meant to be finished early!

Business studies	8 Weeks 16th March	7 Weeks 23rd March	6 Weeks 30th March	5 Weeks 6th April
Revise and test	**Paper 2 mock exam: Thursday 13th March** **Business in the real world** **Influences on business** **Business operations** **Human resources**	**Business in the real world** 3.1.1 The purpose and nature of a business 3.1.2 Business ownership 3.1.3 Setting business aims and objectives 3.1.4 Stakeholders 3.1.5 Business location 3.1.6 Business planning 3.1.7 Expanding a business	**Influences on business** 3.2.1 Technology 3.2.2 Ethical and environmental considerations 3.2.3 The economic climate on business 3.2.4 Globalisation 3.2.5 Legislation 3.2.6 Competitive environment	**Marketing** **3.5.1 Identifying and understanding customers** **3.5.2 Segmentation** **3.5.3 The purpose and methods of market research** **3.5.4 The elements of the marketing mix: price, product, promotion and place**

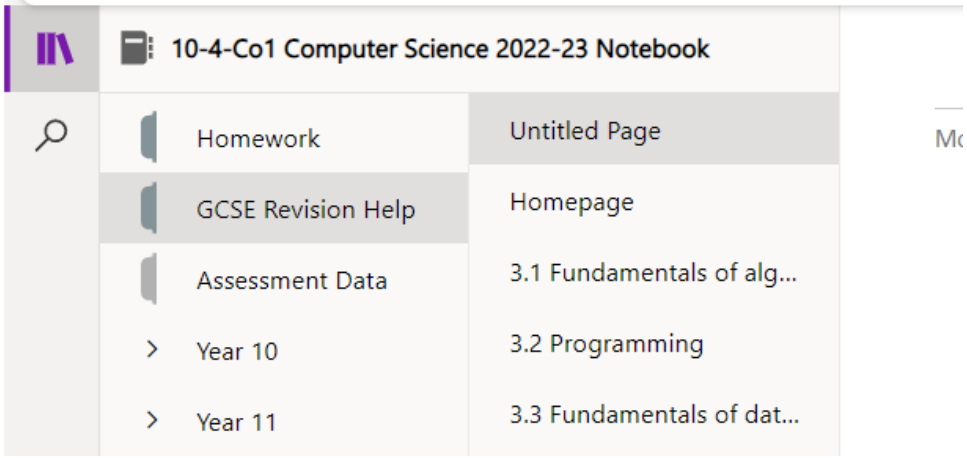
Computer Science:

- You have created a bespoke revision plan for the next weeks using your Mock exam feedback.
- This can be found on TEAMS -> Computer Science -> Mock exam analysis and revision plan.
- Follow the revision plan you set out, ensuring that sessions focus on your weaker areas.
- Use the revision materials found in Class Notebook to help you:



Paper 1: Wednesday 13th May 2026

Paper 2: Tuesday 19th May 2026

Design Technology	**8 Weeks** **13th April**	**7 Weeks** **20th April**	**6 Weeks** **27th Aril**	**5 Weeks** **4th May**
Revise and Self-quiz	Smart materials, new materials and composites revision; Refer to the revision lessons on year 11 teams. **Key topics to learn;** • What is a smart material. • Why are they used? • Know 5 examples of smart materials • What are new materials? Why are they used and examples of new materials? • What are composite materials and know 2 different types.	Core materials knowledge; Refer to woods, metals, plastics, papers and textiles lessons on year 11 teams. **Key topics to learn** • Categories of woods – softwoods and hardwoods along with manmade woods. • Different types of plastics, thermoplastics and thermosets. • Basic papers and boards • Ferrous and nonferrous metals • Papers and boards • Basic textiles	Basic electronics and systems Refer to the electronics and systems lessons on year 11 teams **Key topics to learn** • Basic electronics – positive and negative wires, flow of current. • Basic components e.g. LEDs, resistors, circuit boards, power supplies, LDRs. • Basic concepts of systems and feedback loops • Basic programmable components	CAD and CAM Refer to the CAD CAM lesson on year 11 teams **Key topics to learn** • What is CAD and CAM? • The benefits of using CAD and CAM in the design process. • Different examples of CAD packages. • Different examples of CAM machines e.g. laser cutting, 3D printers • How CAD is used to automate manufacturing
Self-quiz after 1 week	**Ensure notes are in order. RAG revision planner on Teams (links to blended learning)**	**Review week 8 – mind map or flashcards. Gizmo.ai/Quizlet**	**Review week 7 – mind map or flashcards. Gizmo.ai/Quizlet**	**Review week 6 mind map or flashcards. Gizmo.ai/Quizlet**
Self-quiz after 1 month	**Past Paper 2019**	**Complete Seneca/BBC Bitesize to reflect on the topic Past paper 2020**	**Complete Seneca/BBC Bitesize to reflect on the topic Past Paper 2021**	**Complete Seneca/BBC Bitesize to reflect on the topic Past Paper 2022**
	4 Weeks **11th May**	**3 Weeks** **18th May**	**2 Weeks** **25th May**	**1 Week** **1st June**
Revise and Self-quiz	Mechanisms and forces Revise from the lessons on year 11 team **Key topics to learn;** • What are mechanisms and why do we have them? • Different types of motion • Different types of levers • Gear trains, pulleys, cams	Sustainability and the environment Revise from the lessons on year 11 team **Key topics to learn;** • What is sustainability • The 6Rs and recycling • Carbon footprint • Product miles • Social and economic issues with recycling and sustainability	Design theory Revise from the lessons on year 11 team and BBC bitesize Design and Technology Eduqas page **Key topics to learn;** • Market pull and technology push • Scales of production – one off, batch, mass and continuous production • Planned obsolescence • Different design techniques • Industry and enterprise • Basic tools and equipment – general health and safety.	In depth revision on woods Revise from the lessons on year 11 team and BBC bitesize Design and Technology Eduqas page **Key topics to learn;** • Sources and origins • Properties and stock forms • Wood joints and joining methods • Surface treatments
Self-quiz after 1 week	Review week 5 **mind map or flashcards. Gizmo.ai/Quizlet**	Review week 4 **mind map or flashcards. Gizmo.ai/Quizlet**	Review week 3 **mind map or flashcards. Gizmo.ai/Quizlet**	Review week 2 & 1 **mind map or flashcards. Gizmo.ai/Quizlet**

Self-quiz after 1 week	Islamic beliefs Theme D and Theme E	Theme A and Theme B Chrisitan beliefs and practices	Islamic beliefs and Islamic practices	Chrisitan beliefs and practices Islamic beliefs and practices
Self-quiz after 1 month	**Range of tasks in the weekly revision booklets**	**Range of tasks in the weekly revision booklets**	**Range of tasks in the weekly revision booklets**	**Exam date: Paper 1 Christianity and Islam 12th May** **Paper 2 Thematic studies 20th May**

Science

Due to the complex nature of science, we have produced a separate plan which all students have been given. This is also saved in the Y11 TEAMS page, pinned to the top of the science revision folder. There are different revision plans covering separates, combined, foundation and higher. Please ensure you access the correct one.

It can be found here:

Separate GCSE Revision Schedule 2026.pptx

Combined GCSE Revision Schedule 2026.pptx

They look like this

Week Starting	Stage 1 Revise and Test Yourself	Stage 2 Test Again After a Week	Stage 3 Test Again After 1 Month
12th Feb	Key Concepts in Biology Key Concepts in Chemistry Key Concepts in Physics		
19th Feb	Cells & Control States of Matter & Mixtures Motion & Forces	Key Concepts in Biology Key Concepts in Chemistry Key Concepts in Physics	
26th Feb	Genetics Chemical Changes Conservation of Energy	Cells & Control States of Matter & Mixtures Motion & Forces	
4th March	Natural Selection & Genetic Modification Extracting Metals & Equilibria Waves & Light and the Electromagnetic Spectrum	Genetics Chemical Changes Conservation of Energy	

SOCIOLOGY	**8 Weeks** **23rd March**	**7 Weeks** **30th March**	**6 Weeks** **6th April**	**5 Weeks** **13th April**
Revise and Self-quiz	**Crime and deviance** Difference between crime and deviance • Formal and informal social control • Role of the police and courts- criminal justice system • Functionalist view of crime and deviance – Merton – strain theory; Durkheim – anomie; Cohen – Status frustration • Lack of socialisation – New right • Sub cultural theories of crime and deviance – Albert Cohen and subcultures (mods and rockers)	**Crime and deviance** • Marxist view of crime and deviance – capitalism and consumerism • White collar crime and corporate crime • Feminist view of crime and deviance – Heidensohn – lack of opportunity/ Carlen social control of women • Interactionist – Becker – labelling and master status	**Crime and deviance** • Patterns of crime and deviance • How does crime vary by gender, age, ethnicity, class etc? • How are crime statistics collected? • Reliability of crime statistics	**Social stratification** • Meritocracy and social mobility • Functionalist view – role allocation – Davies and Moore – need for inequality and motivator • New Right view – underclass and culture of poverty (Murray)
Self-quiz after 1 week	**Previous 16-week plan in TEAMS**	**Crime and deviance** Difference between crime and deviance • Formal and informal social control • Role of the police and courts- criminal justice system • Functionalist view of crime and deviance – Merton – strain theory; Durkheim – anomie; Cohen – Status frustration • Lack of socialisation – New right Sub cultural theories of crime and deviance – Albert Cohen and subcultures (mods and rockers)	**Crime and deviance** • Marxist view of crime and deviance – capitalism and consumerism • White collar crime and corporate crime • Feminist view of crime and deviance – Heidensohn – lack of opportunity/ Carlen social control of women • Interactionist – Becker – labelling and master status	**Crime and deviance** • Patterns of crime and deviance • How does crime vary by gender, age, ethnicity, class etc? • How are crime statistics collected? Reliability of crime statistics
Self-quiz after 1 month	**Past paper questions**	**Past paper questions**	**Past paper questions**	**Past paper questions**

	4 Weeks 20th April	3 Weeks 27th April	2 Weeks 4th May	1 Week 11th May
Revise and Self-quiz	**Social stratification** • Marxist view of social stratification – false class consciousness; the myth of meritocracy • Feminist view – patriarchy (Walby) Weber – power and authority	**Family, Education and Research methods revision** **Social stratification** • Studies – Townsend's index of deprivation and Devine's Affluent Worker • The extent of poverty • Class inequality and life chances • Gender inequality and life chances • Age inequality and life chances • Disability inequality and life chances • Sexuality inequality and life chances	**APER 1 EXAM – FRIDAY 8TH MAY** • Key sociologists for Family • Key sociologists for Education • Research methods 4 markers 12 mark plans Fam/ Edu	**Crime and deviance, Social stratification and Research methods revision** **PAPER 2 EXAM -15th MAY** • Key sociologists for Crime • Key sociologists for Social Strat • Research methods 4 markers • 12 mark plans Crime/ Social strat
Self-quiz after 1 week	**Social stratification** • Meritocracy and social mobility • Functionalist view – role allocation – Davies and Moore – need for inequality and motivator • New Right view – underclass and culture of poverty (Murray)	**Social stratification** • Marxist view of social stratification – false class consciousness; the myth of meritocracy • Feminist view – patriarchy (Walby) Weber – power and authority	**Social stratification** • Studies – Townsend's index of deprivation and Devine's Affluent Worker • The extent of poverty • Class inequality and life chances • Gender inequality and life chances • Age inequality and life chances • Disability inequality and life chances • Sexuality inequality and life chances

The designation of '**contingency days'** within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard **contingency planning** for examinations.

Centre's must therefore remind candidates that they must remain available until **Friday 26th June 2026** should an awarding body need to invoke its contingency plan.

CONTINGENCY DAYS WEDNESDAY 24TH JUNE & FRIDAY 26TH JUNE.

RESULTS DAY THURSDAY 20TH AUGUST
